You Have until the 5th of May to cancel if not required

Zoo Trip 19th May
Yorkies Closed

Staff News

We said a sad farewell to Marie with a tea party on Thursday. We welcome Paula as a key worker who will be taking over Marie's Elephants. Hayley and Harpreet will be joining us until July and we welcome Maria Wilding to the team.

Easter Holiday Club

The children really enjoyed their Easter parade, and holiday club was a great success with a visit from Zoolab, easter egg hunts and making and breaking pinatas.

A gentle reminder going into warmer weather (hopefully) that all children need a named water bottle, and a named sun hat. Named sun cream must be given to a member of staff and not left in children's bags.

All parents are reminded that our lovely children's centre provide fantastic support to all parents who feel they may need some support . They can be reached on 01462 442438
