YORKIES DAYCARE CONSENT FORM

Photographs & Tapestry

We often take photographs of the children playing at Yorkies and produce photo albums to be displayed in the main entrance area. The purpose of these albums is so parents carers and children can see what activities Yorkies provides.

We also use an online assessment tool called Tapestry, where the staff send you photos via e mail of your child's progress . York Road Nursery School will provide you with further information on Tapestry when your child starts York Road

If you do not wish your child's photograph to be taken please contact the Yorkies Management.
